

SmartDocuments for EMS Organizations

Streamline Document Creation and Template Management

Emergency Medical Services (EMS) operate in high-stake environments where every second counts. SmartDocuments ensures your team spends less time on paperwork and more time on other essential responsibilities. Our powerful template management and document automation solution simplifies creating, managing, and distributing critical EMS documents, enabling your organization to achieve operational excellence.

How Our Solution Helps EMS Organizations

- **Automate Document Creation.** Generate notices, legal documents, reports, bulletins, contracts, letters and more, instantly with pre-built templates.
- **Ensure Compliance.** Everyone has access to the latest, approved versions of the templates.
- **Save Time and Resources.** Reduce manual errors, minimize duplication of efforts, and streamline administrative processes, giving your team more time to focus on other important tasks.

Key Features

- **Customize templates** tailored to your unique needs, ensuring consistency across all documents.
- **Integrate with data from Firstdue and ImageTrend** to auto-populate your documents.
- **Secure Cloud-Based Platform.** Access documents anytime, anywhere, while maintaining data security.
- **Multi-Language Support.** Generate documents in multiple languages for diverse communities.
- **Update forms and templates instantly** to reflect new protocols or regulations.
- **Smart “Building Blocks”** for key elements and standard context.

Real Use Cases

- **Legal Documents:** Create complex documents such as a Notice of Administrative Investigation in minutes, with tailored, yet standardized templates.
- **EMT Certification Card Notices:** Create hundreds of EMT Certification Card notices in minutes, each with different variables, with the Multiple Document Output feature.
- **Training Materials:** Simplify creating, distributing, and updating training manuals.

Why EMS Teams Trust SmartDocuments

“The output is complete and looks the same every time.”

Ben Keizer, Contra Costa County EMS
